CV. BATAM ANUGERAH SHABILLA

About Us

Batam Anugerah Shabilla is a Batam-based trucking company committed to delivering reliable, efficient, and integrated supply chain solutions. Strategically located on Batam Island, we serve as a vital logistics hub connecting domestic and international markets. With a strong operational foundation and customer-focused approach, we provide end-to-end logistics services tailored to meet diverse business needs.

AS

Vision

To become a leading and trusted trucking partner in Indonesia and the region, delivering integrated, reliable, and innovative supply chain solutions that drive sustainable business growth.

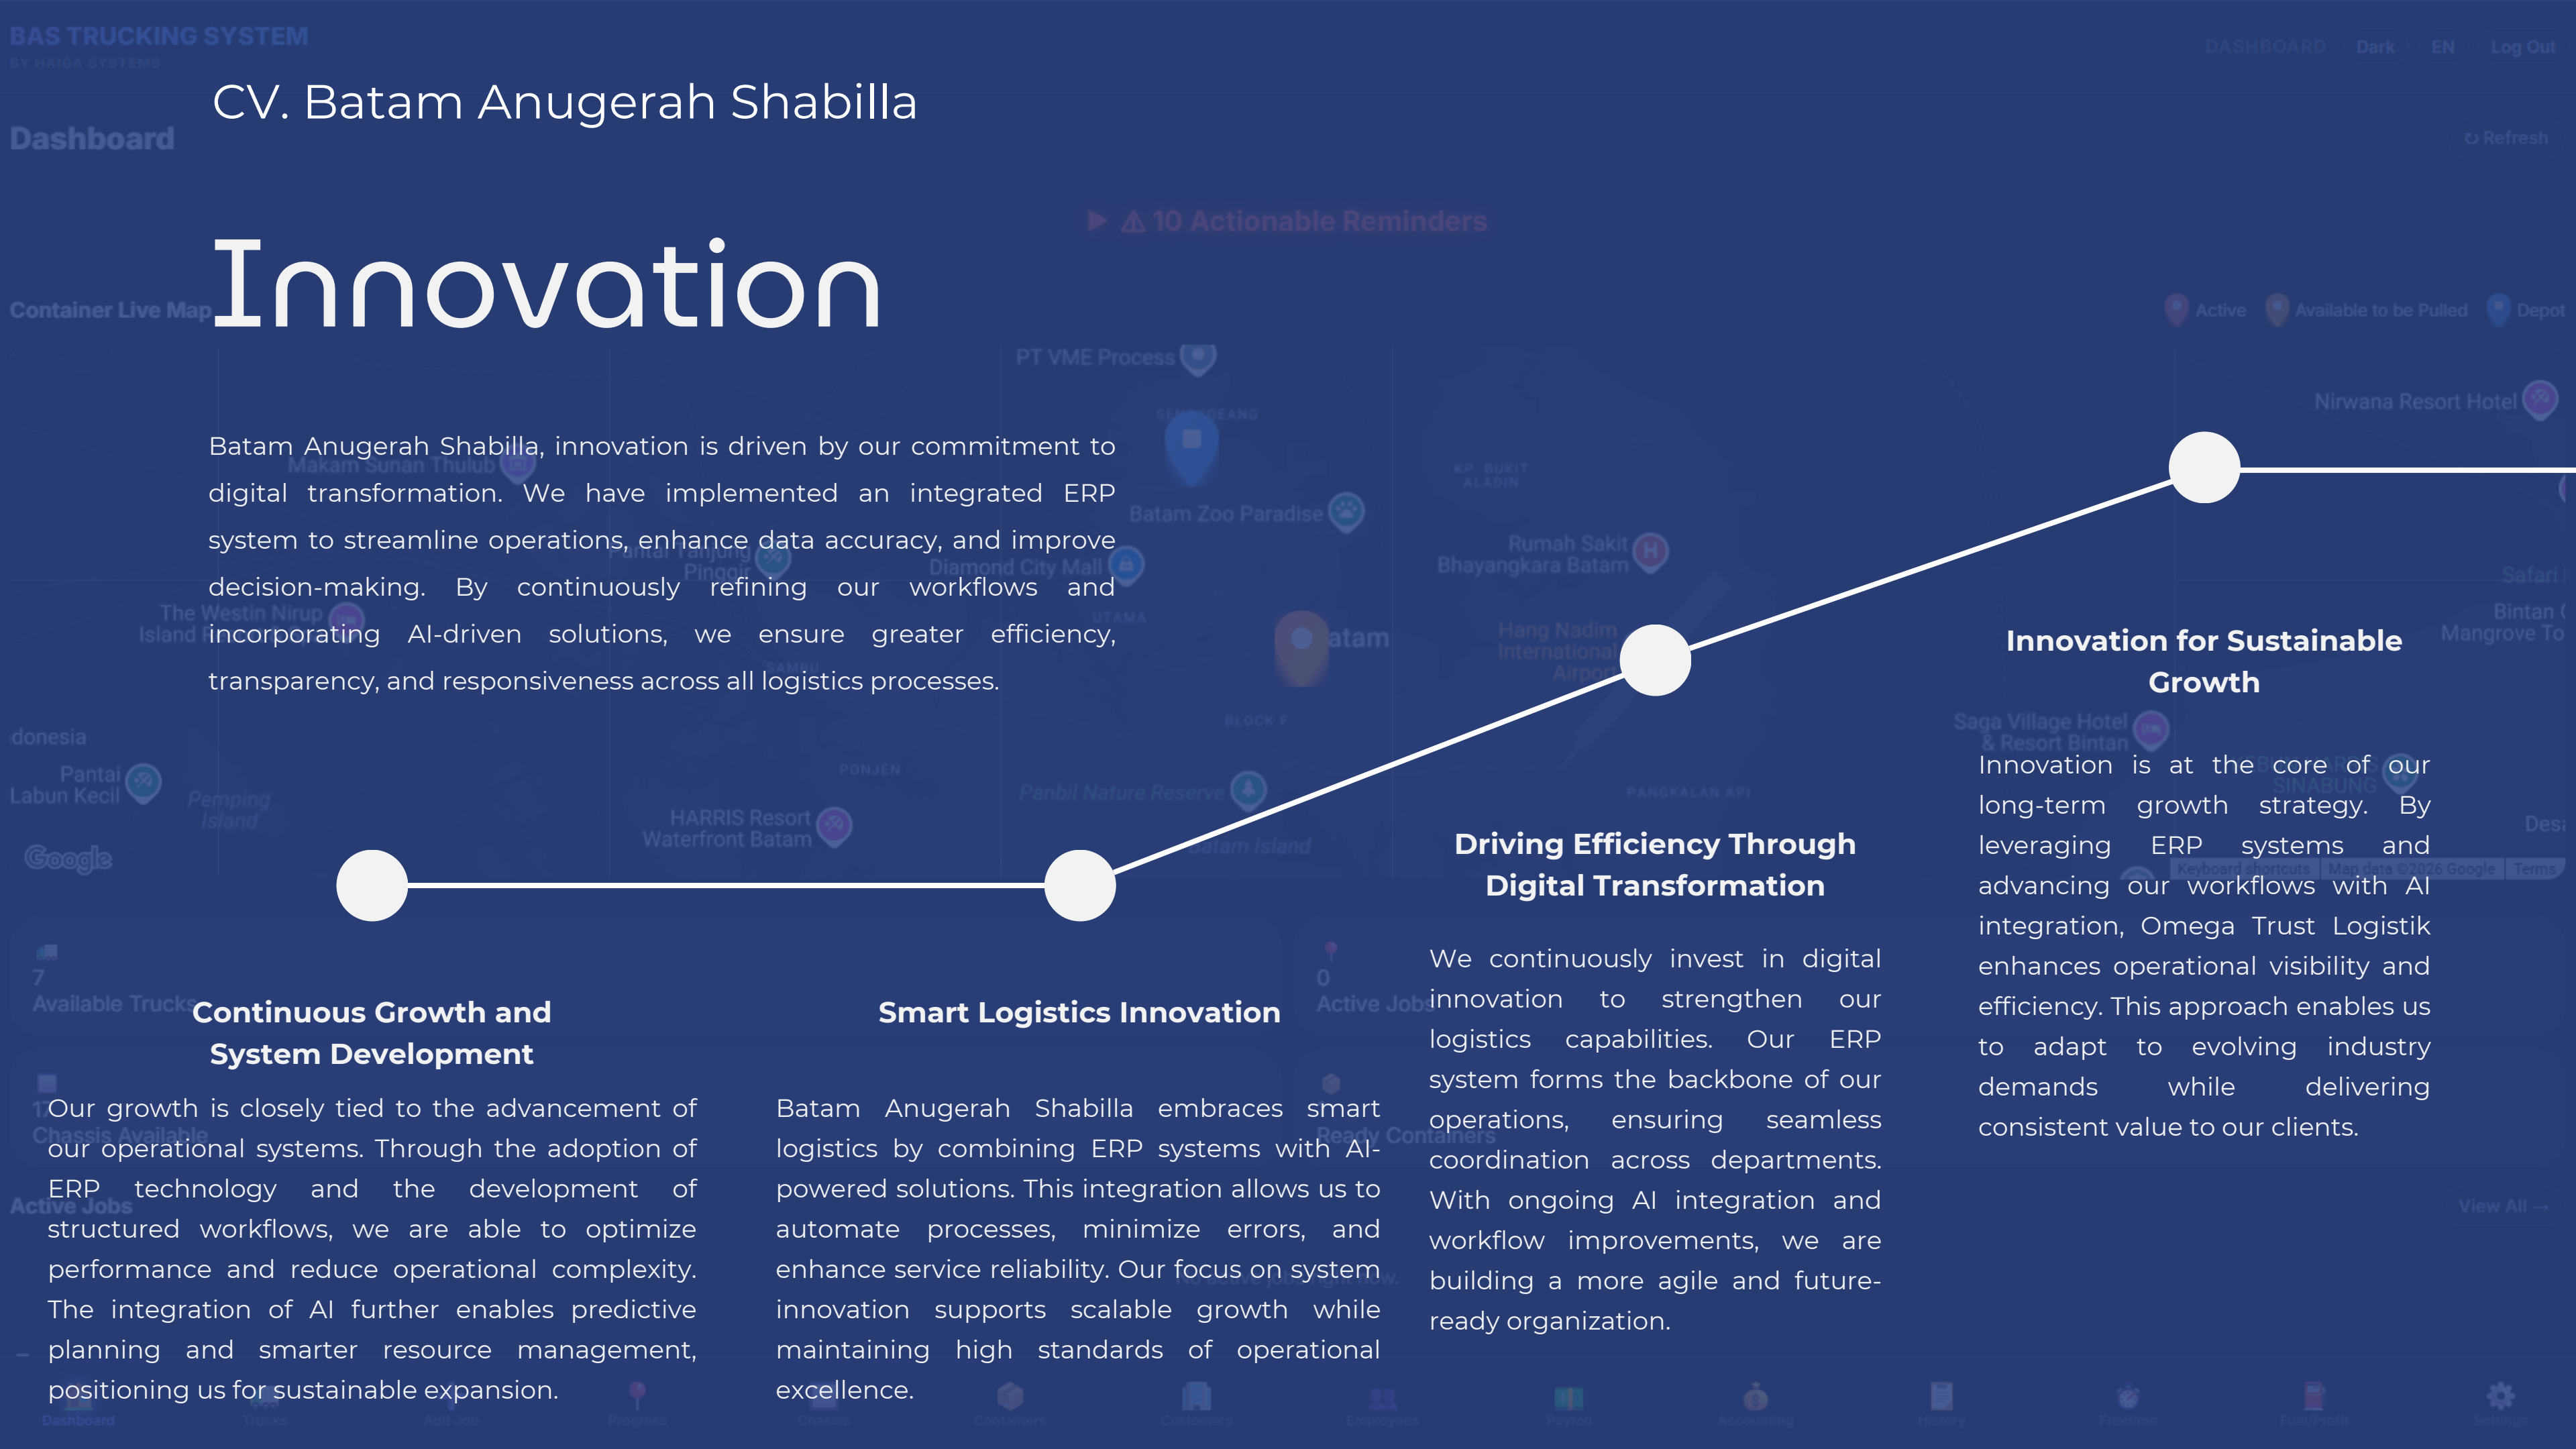

Mission

- To provide efficient, safe, and timely trucking services
- To continuously enhance our fleet, infrastructure, and technology to support operational excellence
- To build long-term partnerships through professionalism, integrity, and customer satisfaction
- To develop a skilled and dedicated workforce committed to service quality and innovation

What We Do

Established in Batam Island, Batam Anugerah Shabilla has grown into a trusted partner in the logistics industry. We specialise in trucking services. Our commitment to operational excellence and service reliability enables us to support businesses in optimising their logistics processes.

CV. Batam Anugerah Shabilla

Innovation

Batam Anugerah Shabilla, innovation is driven by our commitment to digital transformation. We have implemented an integrated ERP system to streamline operations, enhance data accuracy, and improve decision-making. By continuously refining our workflows and incorporating AI-driven solutions, we ensure greater efficiency, transparency, and responsiveness across all logistics processes.

Continuous Growth and System Development

Our growth is closely tied to the advancement of our operational systems. Through the adoption of ERP technology and the development of structured workflows, we are able to optimize performance and reduce operational complexity. The integration of AI further enables predictive planning and smarter resource management, positioning us for sustainable expansion.

Smart Logistics Innovation

Batam Anugerah Shabilla embraces smart logistics by combining ERP systems with AI-powered solutions. This integration allows us to automate processes, minimize errors, and enhance service reliability. Our focus on system innovation supports scalable growth while maintaining high standards of operational excellence.

Driving Efficiency Through Digital Transformation

We continuously invest in digital innovation to strengthen our logistics capabilities. Our ERP system forms the backbone of our operations, ensuring seamless coordination across departments. With ongoing AI integration and workflow improvements, we are building a more agile and future-ready organization.

Innovation for Sustainable Growth

Innovation is at the core of our long-term growth strategy. By leveraging ERP systems and advancing our workflows with AI integration, Omega Trust Logistik enhances operational visibility and efficiency. This approach enables us to adapt to evolving industry demands while delivering consistent value to our clients.

Integrated Logistics Solutions

Batam Anugerah Shabilla delivers end-to-end logistics solutions designed to simplify complex supply chain challenges. By integrating freight forwarding, trucking, container depot, and 3PL services, we provide seamless coordination and reliable execution. Our solutions are tailored to meet each client's operational needs, ensuring efficiency, cost-effectiveness, and timely delivery.

Customized Supply Chain Solutions

We understand that every business has unique logistics requirements. That is why Batam Anugerah Shabilla offers customized solutions supported by advanced systems, structured workflows, and AI integration. From planning to execution, we focus on optimizing every stage of the supply chain to enhance performance and deliver measurable value.

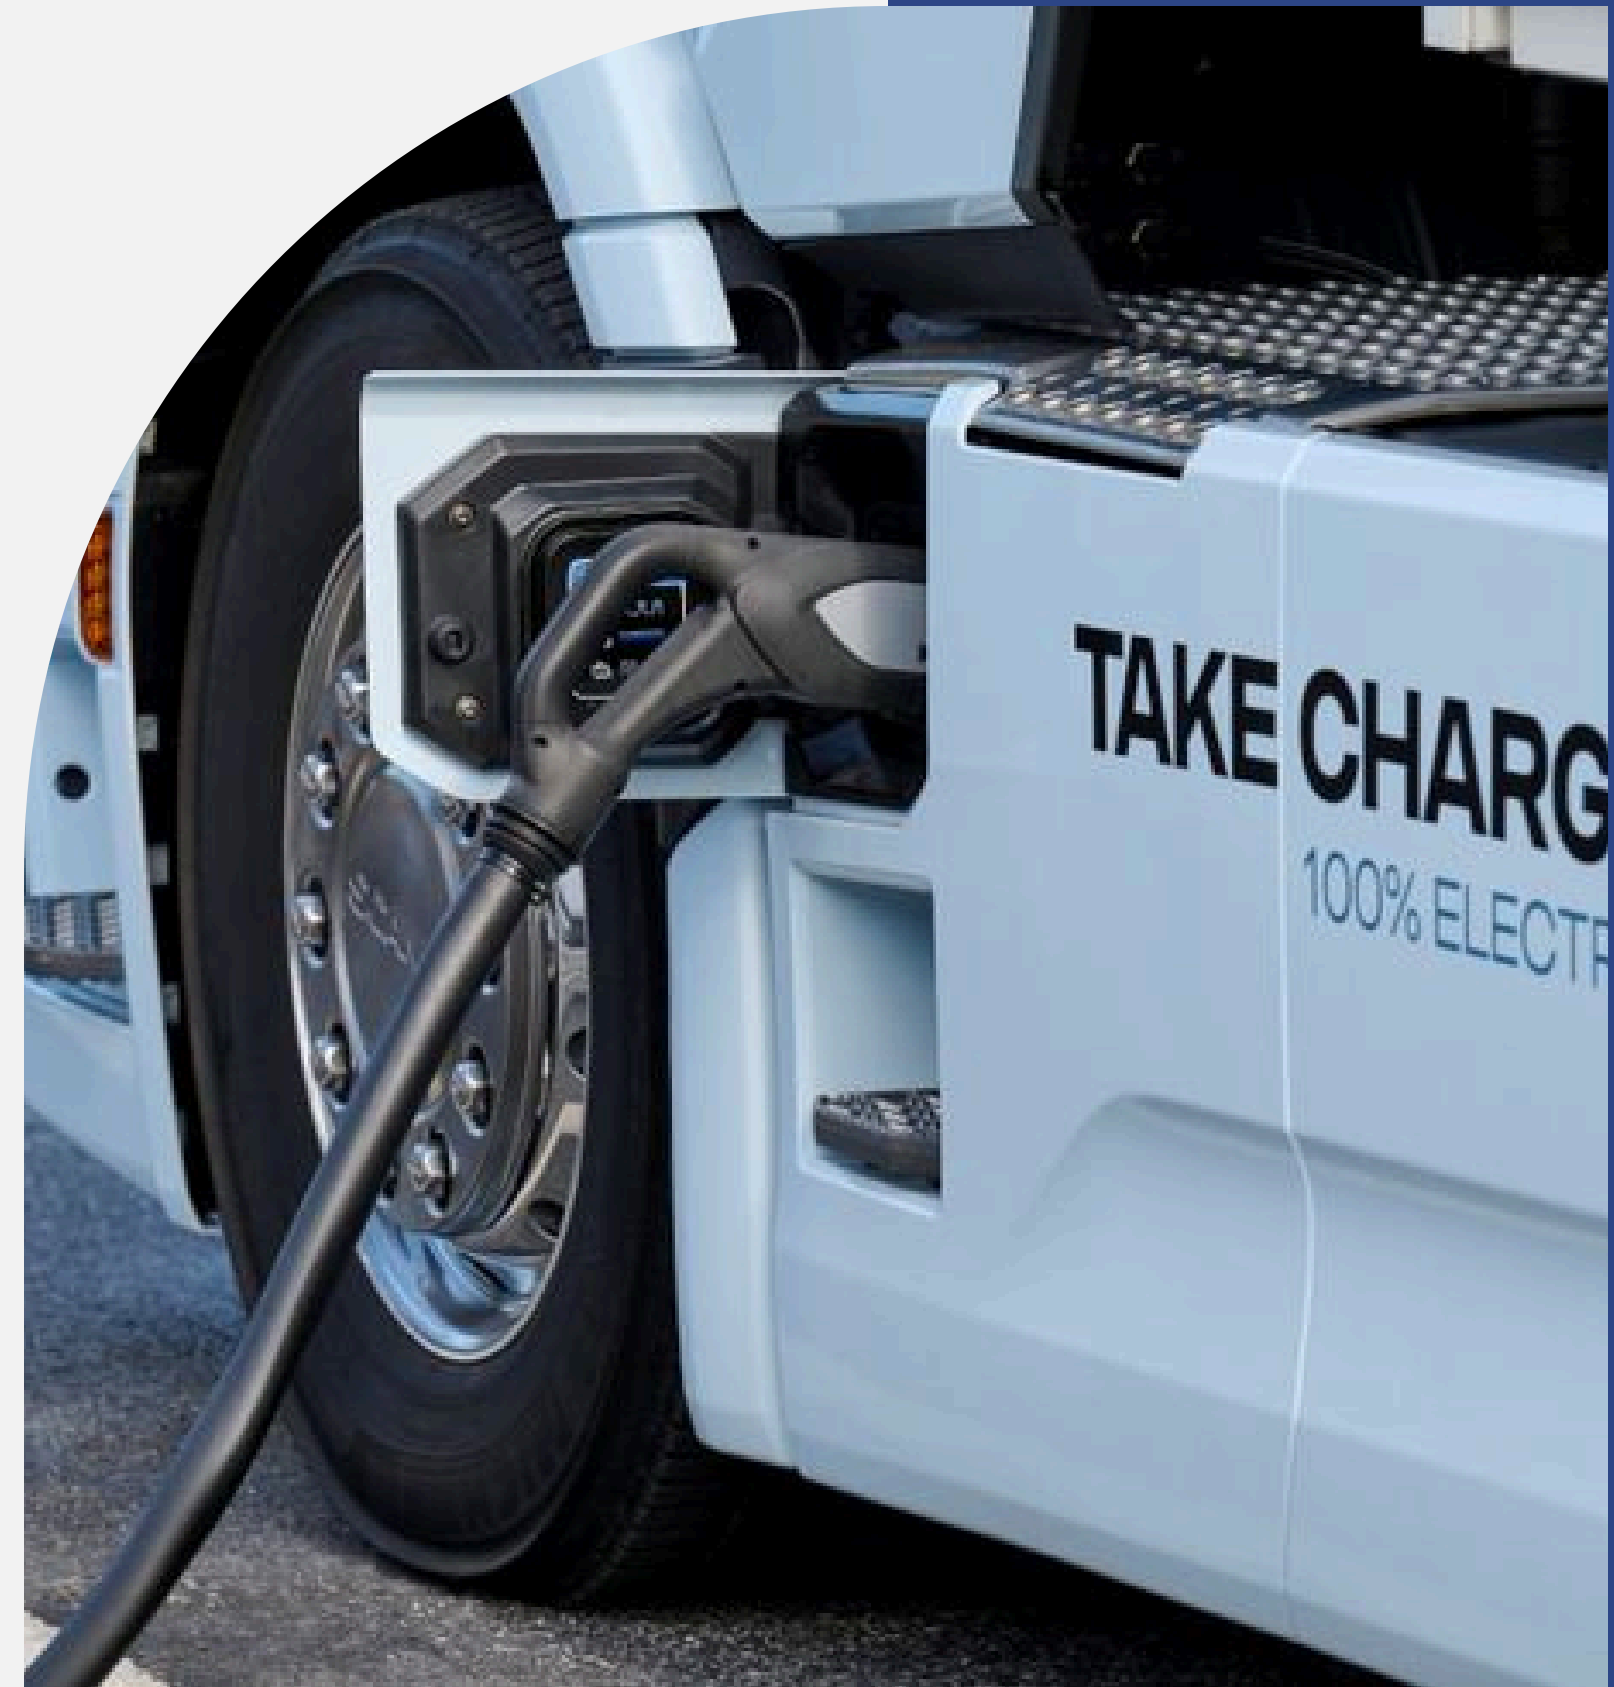

Solutions

Our trucking solutions are built to support both current operations and future growth. With strong infrastructure, a modern fleet, and digital system integration, Batam Anugerah Shabilla provides scalable services that adapt to evolving business demands. We ensure consistency, transparency, and reliability in every solution we deliver.

CV. Batam Anugerah Shabilla

Health, Safety, and Environmental Commitment

Batam Anugerah Shabilla places the highest priority on health, safety, and environmental responsibility in all aspects of our operations. We implement strict safety standards, continuous training, and proactive risk management to ensure a safe working environment. As part of our environmental commitment, we are progressively transitioning toward electric vehicle (EV) technology, reducing emissions and supporting a more sustainable logistics future.

Financial Performance

Batam Anugerah Shabilla maintains a strong and stable financial foundation, driven by disciplined management and consistent operational growth. Our focus on efficiency, cost control, and strategic investment enables us to deliver sustainable profitability while continuously expanding our service capabilities.
